Poltrona pieghevole con tappi antiscivolo, schienale alto, regolabile in 5 posizioni, in pura resina di prima qualità (polipropilene trattato anti-UV e colorato in massa) e tessuto sintetico traspirante (filo di poliestere rivestito in pvc).

Five positions folding chair with non-slip rubber feet, with high back, made in pure first quality resin (polypropylene resins with UV additives and uniformly colored) and breathable synthetic fabric (polyester fiber, with a pvc coating).

Fauteuil pliable, avec patins anti-dérapants, haut dossier, réglable en 5 positions, produit en résine pure de première qualité (polypropylène traité anti-UV et coloré dans la masse) et toile de revêtement synthétique (fil de polyester revêtu de pvc).

Klappsessel mit rutschfesten Fusskappen, mit hoher Rückenlehne 5-Fach verstellbar, aus hochwertigem Kunststoff (UV-beständigem Polypropylen, voll durchgefärbt) und atmungsaktiven Synthetikgewebe (Polyester fasern, welche von einem pvc-mantel umhüllt sind).

Sillón plegable con tapones antideslizantes, con respaldo alto reclinable en 5 posiciones, en resina pura de primera calidad (polipropileno tratado anti UV y teñido en masa) y tejido sintético transpirable (hilo de poliéster recubierto de pvc).

Poltrona dobrável, com pés anti-derrapantes, com espaldar alto e reclinável em 5 posições, em resina pura de primeira qualidade (polipropileno com tratamento anti-UV colorido na totalidade) e tecido sintético transpirável (fibra polyester com cobertura pvc).
